The Family Tree of אַבְרָהָם

מִצְחָק

Laughing in a
mocking way

ה' keeps his promise to
אברהם that שרה would
have a son.

שרה gives birth to יצחק at
the exact time that ה' said
it would happen.

אברהם names the baby
יצחק and gives him a ברית
מילה when he is eight days
old

אַבְרָהָם is a hundred years
old when יִצְחָק is born.

שׂוֹרָה's joy causes others to
laugh with happiness.

יִצְחָק grows up. אַבְרָהָם
makes a big feast to
celebrate the occasion

שָׂרָה is concerned about the
mocking behaviour of
יִשְׂמָעֵאל.

שָׂרָה asks אַבְרָהָם to send הָגָר
and יִשְׂמָעֵאל away.

אַבְרָהָם is upset about
שָׂרָה's request and about
יִשְׂמָעֵאל's behaviour

LOTTO READING STATION INSTRUCTIONS

AIM OF THE GAME

The aim of the game is to be the first player to cover the yellow lotto word board with the lotto word cards.

NUMBER OF PLAYERS

Six players

One caller

GAME PIECES

1. Six yellow lotto word boards for each group (copy from Class Resources onto Yellow Card)
2. One pack of blue lotto word cards (copy from Class Resources onto Blue Card, cut into separate cards and number each card on the reverse side)

TO PLAY THE GAME

1. The Caller gives out the yellow lotto word boards to the six players.
2. The Caller shuffles the blue lotto word cards and places them face down.
3. The game starts with the Caller turning over a blue lotto word card and reading it out loud, taking care to read the word correctly.
4. The players listen to the word being read out and check to see if that word matches a word on their yellow lotto word board.
5. If a player finds that he/she has the matching word, he/she calls out "Lotto" and reads the word correctly for the other players to hear.
6. The Caller then gives the matching red word card to the player who places it over the corresponding word on his/her yellow lotto word board.
7. The game continues until the first player covers all the words on his/her yellow lotto word board with red lotto word cards and is declared the winner!

DOMINO DIALOGUE STATION INSTRUCTIONS

AIM OF THE GAME

The aim of the game is to match the names to their corresponding sentences.

Each card has the name of a character on the left hand section (either 'ה or אברהם or שרה or יצחק or ישמעאל). On the right hand section of the card there is sentence which one of these characters may have said. The character name and the sentence on each pink domino card do not match each other.

NUMBER OF PLAYERS

Four to six players

GAME PIECES

32 domino cards per group.

TO PLAY THE GAME

1. Choose a Dealer who shuffles the cards well. If there are two players, each player gets seven pink domino cards. If there are four players, each player gets five pink domino cards. The remaining cards are placed face down on the table.
2. The first player lays a pink domino cards from his/her pack on the table.
3. The second player picks a pink domino card from his/her pack and sees whether he/she can place the card by either matching the character to a sentence or the sentence to a character.
4. If the player does not have a matching pink domino card they miss that turn and pick a card from pile.
5. Each player takes it in turn to match his/her pink domino cards.
6. The game continues until the first player to match all his/her pink domino cards is declared the winner!
